Romsons Group

A lot has happened in the last two years...

- Many More Private Label Brands/ OEMs
- Massive Shift to E-Commerce
- Expansions of Existing Players
- Raw Material Supply Indigenization
- Abnormal Freight Costs
- Import Substitution etc.

Sanitary Napkins

Panty Liners

Baby Diapers

Adult Diapers & Underpads

Wipes

As India Gears up for the Hygiene Revolution... ...We are all Experiencing

- Higher Market Penetration
- New Market Trends
- Change in Production Dynamics
- A Never Seen Before 'User Awareness'
- Product Quality Enhancement
- Government Support etc.

BCH invites you to the 5th edition of '**RIGHT**' Hygiene

...to deliberate upon on how we can
strive to **Procure** better, **Make**
better & **Sell** better
...to **Network** with the industry
...to witness the **Exhibition**

Networking Evening -
Cocktails & Dinner

Tabletop Exhibition

Speakers would mainly comprise of manufacturers of...

- ✓ Converting machinery
- ✓ Packaging & other equipment
- ✓ Nonwovens & films
- ✓ Hotmelt adhesives
- ✓ Tapes, elastics, fastening systems
- ✓ Superabsorbent polymers
- ✓ Fluff pulp etc.

Attendees would mainly comprise of...

- ✓ The manufacturers (convertors) of disposable hygiene products
- ✓ New entrants (convertors) who will be operational soon
- ✓ Aspiring entrants (convertors) who are looking at this industry
- ✓ FMCG companies, online & private label brands & others

We value your participation

- If you wish to participate, please send us your interest at info@bch.in
- BCH team will be pleased to lead you through the registration process

2022 Programme at a Glance	
Day 1 2 nd June	Conference + Tabletop Exhibition <i>Networking evening over cocktails and dinner</i>
Day 2 3 rd June	Conference + Tabletop Exhibition + Panel Discussion

Expert panel of speakers:

Speaker Companies	About the Company
BCH	Provides services to the technical textile & nonwoven industry
A.Celli Nonwovens	Offers machines & digital solutions for the nonwovens & hygiene converting industries
ANDRITZ Nonwoven	Provides state-of-the-art nonwoven technology & textile technology for a great variety of applications
Avgol (Indorama)	Manufactures high-performance spun melt nonwoven materials for hygiene, medical and functional materials
Cellulose Converting Solutions	Engineers & installs complete lines for the manufacturing of disposable hygienic products
EDANA	Leading global association & voice of the nonwovens & related industries
Fitesa	Develops nonwoven solutions for hygiene and healthcare industries
H.B. Fuller	Provides adhesives for the disposable hygiene industry
Inviya (Indorama)	Manufactures spandex which is used in the elastic of baby diapers
Mondon	Manufactures machines to further convert & wind the different types of nonwovens
Nobel Hygiene	Manufacturer of baby diapers, adult diapers & sanitary napkins
Nordson	Provides precision dispensing equipment that applies adhesives
Optima	Provides leading-edge technologies for packaging hygiene articles
Osprey Corporation	Provides engineered air-system solutions
Reifenhäuser Reicofil	Manufacturer of complete spunbond, meltblown & composite nonwoven lines for hygiene, medical & filtration
S.B Packagings	Supplier of packaging material for disposable hygiene products
SDP Global Co., Ltd.	Offers more than 20 types of super absorbent polymers for disposable diapers & sanitary products
Swara Baby Products	Manufacturer of baby diapers
Teknoweb Converting	Supplies complete production plants for wet wipes

Thursday, 2nd June 2022

Programme

7.30 - 8.30	Tabletop Exhibition Build Up
8.30 - 9.15	Registration - Welcome Tea/Coffee Opening of the Tabletop Display Exhibition
9.15 - 9.45	Opening of the Conference & Welcome

Session 1

Session Moderator

Ritika Gupta, *Executive Director, Business Co-ordination House (BCH)*

9.45 - 10.30

Keynote Speech

10.30 - 11.00

Hygiene in India - Vision 2030

- Market size, growth rates for hygiene products
- New trends post covid
- Time travel into the mind of the future Indian consumer
- A success roadmap for 2030

Kanav Gupta, *Associate Director, Business Co-ordination House (BCH)*

11.00 - 11:30

Baby & Adult Pants: Trends, Evolution and Latest Developments

- An Indian market overview: baby & adult pants
- How can the latest technological solutions improve efficiency and sustainability?
- CCS in India: the natural choice
- Wrap up

Marco Tuand, *Sales Engineer, Cellulose Converting Solutions*

11.30 - 12:15

Tea/Coffee Break - Networking (Sponsored By: S&K Technologies India Pvt. Ltd.)

Session 2

Session Moderator

Kaushal Soparkar, *Managing Director, S&K Technologies Pvt. Ltd.*

12.15 - 12.45

Sustainability – The Next Megatrend in the Hygiene Industry

- Global market trends drive toward sustainability
- Expand the 5 steps of our disposable hygiene sustainability ladder on our journey towards sustainability
- Terminology of different sustainable claims and the relevant standards
- H.B. Fuller's innovation to the next level with bio-based and compostable adhesive solutions

Jyoti Mishra, *IMEA Marketing Manager, H.B. Fuller*

Dr. Karsten Voss, *EIMEA Technology Manager, H.B. Fuller*

12.45 - 13.15

Cost Control Through Efficient Equipment

- Improving production efficiency of hygiene lines
- Producing better product, cost effectively

Vaibhav Modak, *General Manager, Nordson India Pvt. Ltd.*

13.15 - 14.45

Lunch Break - Networking (Sponsored By: KTEX Nonwovens Pvt. Ltd.)

Session 3

Session Moderator

Sahil Khanna, *Director, RGI Meditech Pvt. Ltd.*

14.45 - 15.15

Transition of SAP & Diapers and the Future of Hygiene Industry

- Introduction of SDP
- Transition of diaper design
- SAP transition & latest technology
- Movement towards a sustainable future

Kazumitsu Suzuki, *R&D General Manager, SDP Global Co., Ltd.*

15.15 - 15.45

Efficient Process - Air Handling for Hygienic Production Lines

- OSPREY Corporation: short introduction
- Why is air-system design and balancing so important for hygienic production lines?
- How does a rotary drum-filter work?
- Important aspects of dust-filtration design
- New OSPREY Alpha filter tailored for the Indian market requirements
- Efficient recycling of rejected hygienic products and re-introduction of baled pulp

Mark Ritter, *Technical Sales Manager, OSPREY Corporation*

Jana Ritter, *Technical Sales Manager, OSPREY Corporation*

15.45 - 16.30

'Right' Hygiene Achievement Awards – Nominations and Voting

We at BCH have always endeavoured to drive industry growth through knowledge sharing and awareness. In that spirit we, on behalf of the industry, also find it integral to duly acknowledge and honour the efforts of industry stakeholders through a short awards ceremony for their outstanding contributions to this industry. Conference participants will be asked to cast their vote for the shortlisted nominations.

16.30 - 17.15

Tea/Coffee Break - Networking (Sponsored By: Niine Pvt. Ltd.)

Session 4

Session Moderator

Nikhil Vaswani, *Director, KTEX Nonwovens Pvt. Ltd.*

17.15 - 17.45

Packaging Solutions for Hygiene Products

- The right package for the right product
- Counting and grouping
- Product handling and grouping
- Package filling and closing

Wilfried Laser, *Key Account Manager, OPTIMA nonwovens GmbH*

Markus Utz, *Key Account Manager, OPTIMA nonwovens GmbH*

17.45 - 18.15

Innovative & Sustainable Packaging for your Hygiene Products

- FMOT innovations - First Moment of Truth
- SMOT innovations - Second Moment of Truth
- Sustainability innovations

Amit Banga, *Managing Director, S.B Packagings*

18.15 - 18.45

Tabletop Exhibition - Networking

Cocktails & Dinner - Networking

Sponsored By: Avgol® India Pvt. Ltd.

Venue: ORBIS, The Leela Ambience Hotel

Time: 19.00 hrs

An Indorama Ventures Company

Friday, 3rd June 2022

08.30 - 09.15

Tea/Coffee - Networking (Sponsored By: Fibril Tex Pvt. Ltd.)
Table Top Display Exhibition Open

Session 5

Session Moderator

Samir Gupta, *Managing Director, Business Co-ordination House (BCH)*

Keynote Speech

09.15 - 09.45

The Evolving Value Proposition of AHPs Within 3 Generations

- From bringing convenience and personal hygiene to matching lifestyle, safety and sustainability awareness
- A cumulative set of requirements and growing expectations, supported by individual innovations and joint industry initiatives
- Decades of challenges to single-use products in developed markets, with yet limited penetration of reusable alternatives!
- What could come next?

Pierre Wiertz, *Advisor, EDANA*

09.45 - 10.00

Challenges Before New Manufacturers

Kamal Johari, *Managing Director, Nobel Hygiene*

10.00 - 10.30

High-Performance Solutions for the Production of Roll Goods Used for Bio-Wipes

- ANDRITZ is supplying neXline wetlace CP (Carded Pulp) lines for the production of biodegradable, plastic-free wet wipes
- The so-called Wetlace CP process combines the benefits of two forming technologies (inline drylaid and wetlaid web forming process) with bonding by hydroentanglement. Natural fibers can be processed smoothly and generate a high-performance and cost-efficient wipe that is fully biodegradable and plastic-free
- ANDRITZ developed the new neXline wetlace CP line in order to serve the new market trend of sustainable wipes

André Michalon, *Sales Director Nonwoven, ANDRITZ Nonwoven*

Stefan Müller, *Senior Sales Manager, ANDRITZ Nonwoven*

10.30 - 11.00

Teknoweb Strategies for Ecofriendly Products - Matching New Markets Requirements

- Wet Wipes global market assessment, post pandemic prospects
- New trends for products, natural fiber environmentally friendly raw materials and packaging
- State of the art of technology
- ATEX solution for hygienic wipes

Maurizio Buzzi, *Sales Area Manager, TEKNOWEB CONVERTING S.R.L*

11.00 - 11.45

Tea/Coffee Break - Networking

Session 6

Session Moderator

Siddhartha Medhi, *Sales Head, Henkel*

11.45 - 12.15

Latest Trends in Nonwovens for Hygiene Applications

Presentation will summarize the latest trends in different markets worldwide, emphasizing the aspects

- Economy
- Quality & comfort
- Sustainability

Based on the above, presenter will develop his understanding of a market forecast for India

Falk Roesner, Sales Manager, Reifenhäuser Reicofil GmbH & Co. KG

12.15 - 12.45

Fitesa ClothLike™ Laminates - Next Generation Femcare Topsheets

- Unique designed materials
- Advanced technology
- Future of topsheets
- Markets & applicability

Swapnil Khanolkar, Plant Head & MD, Fitesa Pune Pvt. Ltd.

12.45 - 13.15

Innovation in a Sustainable World – What Goes Around, Comes Around

- The many definitions of “Sustainability”
- What does sustainability mean in the world of Absorbent Hygiene Products (“AHP’s”)?
- Innovation to meet the future demands in AHP’s
- The needs for collaborative innovation (complete supply and end-of-life chain)

Nick Carter, Vice President, Nonwoven Marketing, Avgol® India Pvt. Ltd.

13.15 - 14.45

Lunch Break - Networking (Sponsored By: Global Nonwovens Pvt. Ltd.)

Session 7

Session Moderator

Sanjay Bhayani, Director – India Operations, Avgol® India Pvt. Ltd.

14.45 - 15.00

Future of Converting

- Innovations and R&D on RM
- Better operational efficiencies
- Cost effectiveness

Alok Birla, CEO, Swara Baby Products

Udit Birla, Swara Baby Products

15.00 - 15.30

Increase Your Quality and Productivity in Nonwoven Converting

- The ways to convert nonwovens - after the manufacturing line, nonwovens can be converted in several formats from the big rolls to narrow strips or sheeting
- Increase the productivity thanks to turret technology - turret technology permits a master roll change at full speed on laminating, embossing, treatment lines
- Nonwoven rolls quality control thanks to dedicated inspecting machine - reduce the waste by controlling the rolls coming from the manufacturing lines and repair the non-quality
- Increase the strip length thanks to spooling technology - increase the length of pancake rolls by winding the strips into a spool able to contain 10 times the strip length.

Georges Forand, Head of Sales, MONDON SAS

15.30 - 16.00

INVIYA SnugFit – Hygiene Grade, Super Comfort Spandex

- Brief on Indorama INVIYA spandex company
- Diaper market overview & growth drivers
- Needs of diaper makers
- INVIYA SnugFit capabilities
- Common Vision for Indian Hygiene Industry

Sandeep Shelke, CEO & Director (Spandex), Indorama India Private Ltd

16.00 - 16.45

Tea/Coffee Break - Networking

16.45 - 17.15

A.Celli Digital Solutions: Your Boost for Innovation in the Hygiene Market

- Industry 4.0 trends
- How A.Celli approach industry 4.0 in hygiene market
- A.Celli digital solution
- Trends in smart manufacturing

Francesco Buonocore, *Sales Manager*, **A.Celli Nonwovens SpA**

17.15 - 17.45

Panel Discussion

A panel constituting of experienced industry leaders will be interacting with the audience and sharing their knowledge on various topics of concern to the industry such as :

1. All raw material prices have been going up – where lies the future?
2. Uncertainty in logistics and freight costs globally leading to inefficiency – what will be the solutions?
3. Attributes of a 2027 hygiene product in India w.r.t to quality, pricing, packaging and sustainability?
...and more

17.45 - 18.15

Tabletop Exhibition - Networking
